

**Report of the CASCA Nominating Committee
November 2005**

The nominating committee membership for 2005-2006 consists of: Pierre Bergeron, Gretchen Harris (chair), and Rachid Ouyed. The positions of Secretary, Treasurer and Member at Large will not be vacant in 2005-06. And the current First Vice President and Second Vice President have agreed to stand for election as President and First Vice President – i.e. Peter Martin will be on the ballot for President and Paul Hickson for First Vice President. Thus only the position of Second Vice President needs to be filled.

The committee has already begun its deliberations and has developed a short list of possible candidates, but we have not contacted any of them to date. Our plan is to revise the list in the next month and proceed to identify those who are willing to run.

I can discuss this in more detail at the November 26 meeting if the Board so wishes.
